Pre-Assignment: Read Chapters 1, 2 and 3. Be prepared to discuss the Scenarios at the beginning of each chapter. Also, be prepared to discuss the Chapter-End Questions for each chapter. Some of them will be part of our in-class group exercise. You will need to identify the issue, the legal principle that applies to the case, and the way that you think the legal principle will apply to the case. Do not begin formal writing prior to our first class, when I will review the format for you. There is no assignment to hand in for the first class.
