Re: Pre-assignment for Class 8/24/21

I hope everyone has enjoyed a nice summer! I am looking very forward to working with you in this upcoming term.

As you know, we will begin our course the evening of Tuesday, 8/24, and we will be working via Zoom this term. While I will miss meeting you in person, I look forward to making our Zoom sessions as engaging as possible, and getting to know each of you as we explore the compelling topic of managing projects, information and technology.

Below you will find our books for this course. Before we meet on the 24th, please complete the following pre-assignment so we may launch our discussion that evening:

In Pearson:

- **Read Chapters 1 & 2**

My thanks to all, and see you soon!!

COURSE MATERIALS

Managing & Using Information Systems: A Strategic Approach

(6th ed.) NJ: John Wiley & Sons

Pearlson, Keri E., Saunders, Carol S., and Galletta, Dennis F. (2016)
